

GRUPO SPORTS WORLD TO RESTRUCTURE ITS DEBT

Mexico City, February 14, 2018 – Grupo Sports World, S.A.B. de C.V. (“Sports World”, “SW”, “the Company”, or “the Group”) (BMV: SPORT), the leading operator of family fitness clubs in Mexico, announces the details of the issues that will be presented for approval at its General Ordinary Shareholders’ Meeting on February 26, 2018.

Sports World will present for approval the restructuring of its debt, with the objective of improving its terms and conditions as well as its cost. Also, the Company’s leverage level will increase. The use of the resources will be to finance the opening of new clubs, as well as for new projects in 2018, all of this in line with the Company’s expansion plan.

The debt restructuring will be executed through a Club Deal involving three banks: HSBC, Santander and Actinver. The total amount of debt will be \$750 million pesos, with a 5-year term, a grace period of 18 months and a rate of TIIE plus a spread of approximately 240 basis points, which will depend on Sports World’s ratio Net Debt / EBITDA. With this level of debt, the Company expects to close 2018 with a Net Debt/EBITDA ratio below 2.0x, maintaining a healthy debt level and a solid financial position.
